

Running in a crowd, In a faceless town, I need to feel the touch of a friend.	<b>LOST, YEARN, LONGING</b>
In the countryside, I wander far and wide.	<b>BREATHE, PEACE, FREEDOM</b>
The isolation gets me again.	<b>ALONE, ISLAND</b>
I don't know where to go When I feel like crying, "Oh my!"	<b>ABANDONED, HIDE, HELPLESS, DARK</b>
It's time to open myself, Do something new, I want to stop and grow up a bit.	<b>EXPAND, BLOOM, TRUST, LIGHT</b>
Then suddenly, my power and confidence start swelling up, Magically erupts.	<b>BLOSSOM, RADIANT, JOY, FLOURISH</b>
And it's all because of the kindness that I feel From people I don't even know.	<b>COMPASSION, GENEROSITY, CARING, HUMANITY, HEART</b>
Then suddenly, my intuition and my wisdom grow, And then I know That most of all I sense compassion's real Thanks to strangers wherever I go.	<b>LOVE, PROSPER</b>
Thank you for waking me up!	<b>SUNSHINE, IGNITE, JOY</b>
