Dear Andor,

Based on further review of your academic history, I am forwarding this revised offer of undergraduate admission to the School of Visual Arts for the Fall 2018 semester. Based on your application, you already know that SVA isn't just a place to earn a degree, it's a community of talented and passionate individuals challenging one another to do their best work and stretch the boundaries of art.

You are invited to begin your undergraduate studies in the third semester of the BFA Cartooning program, with the start of classes on Tuesday, September 4, 2018. Please see the enclosed Transfer Credit Evaluation for a detailed list of coursework that we have accepted for transfer credit.

Because you have already submitted the non-refundable enrollment fee and registered for classes, a space for you has been secured in the Cartooning department for the Fall 2018 semester. If you have any further registration questions, please contact the Office of Academic Advisement at 212.592.2540.

As a newly accepted student, you can now log in to MySVA, the School of Visual Arts' online portal at my.sva.edu to access important documents and forms. Your MySVA username is: amate and your password is Sva!1496077.

If you haven't already, I encourage you to visit our campus, tour our state-of-the-art facilities and speak with our students, who can tell you why they chose SVA. As one recent graduate said, "As a growing artist, I could not ask for a better location, access to information and networking."

I look forward to welcoming you to SVA this fall. In the meantime, please feel free to contact Admissions at 212.592.2100 with any questions.

Sincerely,

Matthew Farina
Director of Admissions
