VICTORINOX SWISS ARMY

VICTORINOX
SWISS ARMY

Karl Elsener, Founder

Swiss manufactured by Victorinox, the Makers
of the Original Swiss Army Knife - crafting the
finest blades in the world since 1884.

DEUTSCH

- Made from high carbon no Stain Steel with unique blade finish unlike any other knife company in the industry
- Renowned edge and edge retention
- All blades are conical ground for ease of cutting and won't discolor or corrode
- All edges are laser tested to ensure optimum cutting power and durability
- NSF approved (National Sanitary Foundation)
- Textured Slip resistant handle is hygienic and dishwasher safe
- Lifetime guarantee against manufacturer's defects
- For warranty and important safety information visit: www.swissarmy.com

ESPAÑOL

- Manufacturado en Suiza por Victorinox, los fabricantes de la Navaja Suiza original - manufacturando las más finos cuchillos del mundo desde 1884.
- Hecho de carbono inoxidable de alta calidad, con un acabado único en la hoja, a diferencia de cualquier otro fabricante de cuchillos en la industria.
- Nuestras hojas ofrecen la renombrada retención perimetral.
- Todas las hojas son pulidas cónicamente para facilitar el corte.
- No perderá su color ni se corroerá.
- Todos los filos son sometidos a pruebas con láser para asegurar su capacidad de corte y durabilidad.
- Aprobados por a NSF.
- Con higiénicos y resistentes mangos con textura aptos para lavado en máquina.
- Cuchillos hechos en Suiza.
- Garantizados de por vida contra defectos de manufactura.
- Para más información acerca de la garantía y para importante información sobre su seguridad, por favor visite: www.swissarmy.com
