

VICTORINOX SWISS ARMY

VICTORINOX SWISS ARMY

Karl Elsener, Founder

Swiss manufactured by Victorinox, the Makers of the Original Swiss Army Knife - crafting the finest blades in the world since 1884.

DEUTSCH

- Made from high carbon no Stain Steel with unique blade finish unlike any other knife company in the industry
- Renowned edge and edge retention
- All blades are conical ground for ease of cutting and won't discolor or corrode
- All edges are laser tested to ensure optimum cutting power and durability
- NSF approved (National Sanitary Foundation)
- Textured Slip resistant handle is hygienic and dishwasher safe
- Lifetime guarantee against manufacturer's defects
- For warranty and important safety information visit: www.swissarmy.com
