THE ORIGINAL  
SWISS ARMY KNIFE

VICTORINOX  
SWISS ARMY

**Congratulations! You are the newest owner of a Victorinox Swiss Army Knife.**  
The Victorinox Swiss Army Knife was first crafted in Switzerland in 1891. More than a century later, it is celebrated as one of the world's most recognized icons of versatility and utility. The passion that is put into each Victorinox product is evident in the outstanding quality in each piece, and the innovation of each product will amaze you for decades to come. Your Swiss Army Knife's destiny is up to you; will it become a family heirloom, a gift to a loved one, or your very own personal sidekick through whatever adventures life has in store for you? No matter what your plan is for this knife, rest assured, it's at your service when it's at your side. NASA took it to space, adventurers took it up Mt. Everest and to the North Pole. You'll want to take it everywhere.

If it doesn't say Victorinox, it's not the Original Swiss Army Knife.
